

Job Title:	Casual Lecturer
Employer:	Australian Chiropractic College
Job Description:	<p>The Australian Chiropractic College (ACC) is currently seeking expressions of interest for experienced academics/learning facilitators for the Bachelor program. This will be to develop and coordinate units related to subjects such as Diagnostic Imaging, Radiographic positioning, Nutrition and Clinical Sciences. This will be for on-campus delivery at the ACC campus located at 83 Currie Street as well as the potential for working in our student-led teaching clinics. Reporting to the Academic Dean, you will be joining a team with a spirited team culture to develop and deliver a contemporary chiropractic program that's purpose is to produce graduate ready practitioners. Preferred applicants will include those with:</p> <ul style="list-style-type: none"><li>• professional registration (AHPRA)</li><li>• postgraduate qualifications in the subject of interest (ie. DACBR/ Radiologist)</li><li>• Track record in research including publications</li><li>• At least 2 years of teaching experience</li></ul> <p>You will be responsible for delivering lectures, tutorials, practicals as specified by the Academic Dean. You will be developing, designing and preparing teaching and learning materials including learning plans, assessments and the overall quality of a unit of study and the stream on which it sits. Knowledge of learner management systems is of benefit, with the ACC utilising Moodle. Those with a demonstrated ability to make a positive contribution to team culture, with an eye for detail, effective communication, interpersonal skills and a commitment to mentoring colleagues is preferable. Please forward your EOI to the Academic Dean: <a href="mailto:drnavine@acc.sa.edu.au">drnavine@acc.sa.edu.au</a></p>
