Location: Whittier, California

The Position:
Joining three other radiology faculty at LACC, all of whom are Diplomates of the American Chiropractic Board of Radiology (DACBR), this position is primarily responsible for teaching in the classroom and/or laboratory setting. The faculty member is responsible for applying their expertise to develop and deliver courses that improve the learning outcomes of students. In addition, the full-time faculty member will actively participate in departmental and general faculty meetings, student remediation, review sessions, and perform additional duties as assigned by the Assistant Dean. The full-time faculty member will also be required to assist with the diagnostic imaging needs of the University Health Center as needed. Some teaching responsibilities may be outside the Department, as appropriate and as assigned. Scholarly productivity and intra- and extra-institutional service, through participation in College and/or University committees, graduations, and other assignments, are key components of this job.

Remote Opportunity: This position requires regular online engagement for courses and projects as assigned. Candidates for this position will have the option to work on campus,

hybrid, or in a fully remote capacity. For fully remote faculty, some occasional on-campus duties may periodically require ad hoc travel to campus with advanced notice.

To Apply:

Confidential review of applications will begin immediately and are welcomed until the position is filled. Please submit your resume and letter of interest. The start date is flexible with a preference for Fall 2023.
